Graphic Designer and Animator

JOIN OUR JOURNEY!

We're looking for a passionate Graphic Designer and Animator to join our team! Whether you've just graduated, are self-taught, or have been honing your skills independently for years, we want to hear from you. If you have a flair for design, love creating visually compelling content, and thrive in a collaborative environment, this could be the perfect role for you.

As a Graphic Designer and Animator, you'll help bring our brand to life through visual storytelling, working closely with our marketing team to ensure consistency across all platforms.

WHAT YOU'LL DO

- Create high-quality graphics and video animations for websites, social media, print materials, digital ads, and internal communications.
- Develop and implement creative visual concepts that effectively communicate the brand message.
- Own design projects from ideation to final production, ensuring timely delivery.
- Coordinate with cross-functional teams to meet project requirements and deadlines.
- Ensure all designs adhere to brand guidelines and maintain consistency across platforms.
- Create motion graphics and animations for website demos, explainer videos, and social media content to support marketing initiatives.
- Develop storyboards for larger projects, ensuring that visual concepts align with the project goals before execution.
- Optimize and adapt design assets for different platforms, ensuring consistency across all mediums.
- Support the team with ad-hoc design requests, including event materials and presentations.
- Contribute to brainstorming sessions with creative ideas and concepts for future marketing campaigns and projects.

DON'T MEET EVERY REQUIREMENT?

We know that people come with all types of experience and talent beyond just the technical requirements of a job. If your experience is close to what you see listed here, please still consider applying. Give us the chance to get to know you!
